About Island Air Flight School

Island Air Flight School, a premier Flight Training School is based in Toronto, Canada. IA has been training pilots in various skills, from Recreational to Advanced Commercial and Multi-Engine I.F.R. IA employs professional and experienced CFIs and equipped with all modern avionics along with an excellent environment for ground schooling. It offers all levels of Pilot training. Ultra-Light License, Private Pilot License, Commercial Pilot License, Instructor Rating, Multi-engine Rating and Instrument Rating at unbeatable prices.

It is committed to maintain a high standard of training excellence as per Transport Canada Certified - Canadian Air Regulation Standards(CAR).

The flight training will be conducted by Island Air Flight School (IA) at Toronto-Central Airport.

Facilities

IA provides numerous opportunities for the students upon successful completion of the pilot training including placement options, career tracking and guidance to ensure the student is on the "fast track" to a long and successful career as a professional pilot.

LOCATION

Flight school is located at Toronto city center Airport

STAFF

Island Air has qualified and well experienced 6 Certified Flight Instructors. They are backed by experienced management staff to offer you a complete training.

GROUND SCHOOL

IA uses the modern teaching aids and provide top quality ground training and utilizes the Computer Based Instruction program.

AIRCRAFT

Present Inventory	Qty
Cessna C150	2 nos
Cessna C172	2 nos
Piper Aztec	2 nos
Piper Seneca PA 34	1 no
Flight Training Device (FTD)	1 no

AIR FIELD

IA operates from the Toronto Airport. A well equipped modern Air Control Tower with VFR and IFR

facilities, 2 Runways all makes the training a complete one with the experience of flying into an International Airport.

HOUSING

Students can choose from several accommodation options. It has several fully self contained rooms available right here at the airport, or fully furnished company housing on sharing basis.

OTHER PROGRAMS

IA also offers Certified Flight Instructor (CFI) Programs, Sea Plane Rating and other customized programs. You can always contact the admission department by giving your present levels and the required ratings for planning your admission.

Accelerated Package Program

The international students especially Indian students, who need to complete training in a faster timeframe will benefit from accelerated training programs. These programs include all of your training, charts, books, examiner fees and even your lodging for the duration of your training.

The training program will be completed within 12 months. It is a full time program and the student is expected to put their efforts fully at all times.

Island Air trains all students, both foreign and domestic to meet CAR Pilot certificate requirements. However, once a student returns to India, should apply for conversion of foreign license to an Indian license with DGCA. There will be certain exams that have to be passed to do the appropriate conversion. FRUITIVE takes care of the ground school requirements for conversion.

REQUIREMENTS

- ◆ Age : 18 Years.
- ◆ Educational Qualifications: A pass in HSC (Maths / Physics) or equivalent.
